Licensing AuthorityConditions of license

- This licence shall be kept on the approved premises and shall be produced at the request of an Inspector appointed under the Drugs & Cosmetics Act, 1940.
- Any change in the technical staff shall be forthwith reported to the Licensing Authority.
- If the licensee wants to manufacture for sale additional items he should apply to the Licensing Authority for the necessary endorsement to the licence as provided in rule 23. This licence shall be deemed to extend to the cosmetics so endorsed.
- The licensee shall inform the Licensing Authority in writing in the event of any change in the constitution of the firm operating under the licence. Where any change in the constitution of the firm takes place, the current licence shall be deemed to be valid for a maximum period of six months from the date on which the change takes place unless, in the meantime, a fresh licence has been taken from the Licensing Authority in the name of the firm with the changed constitution.
